

With this first edition of our customer information in 2015 I would like to keep you informed about the latest and most important news from ULO:

## New products

The ULO assortment continuously changes. In the following you find the details of all new ULO original products in 2015:

Audi rear lights:	A6 wagon (C7 RS6), A7 coupe (C7 RS7)
Toyota rear lights:	Verso van (270),
Toyota head lights:	Corolla (466A)
Evobus rear lights:	S300 bus

We have also added universal parts:

Warning lights, side marker lights, marker lights, position lights, interior lights, license plate lights, daytime running lights, turn signal lights

For further information about the products please click on the following link:

## Clearing up of assortment

We would like to inform you that we continuously refresh our assortment. For this reason we have removed some articles from our program. Here you can download a list of the ULO products which are not available anymore or only available by request:

### Modification of process for complaints

We have modified our complaints process. As of now transport damage complaints have to be reported to the carrier immediately at the incoming goods control.

Subsequent complaints can't be accepted anymore.

### Movement to new location

Since January we have moved to our new headquarter. Once again the new general contact details to update your system:

Postal address:

ULO Aftermarket  
Hedelfinger Straße 137  
70329 Stuttgart
